

CABERFAE SKI CLUB GUEST POLICY

All guests will be allowed one day's admittance (Lifetime), free of charge, when accompanied by a member. This will be policed by the member host. Members must enter guest's name(s) on the guest sign-in sheet with note that it is the guest's free visit.

A day's admittance is defined as a guest using the club for that day for skiing, such as putting on and storing ski gear for that day. Prospective members may be shown through the club at any time without guest fees.

After the free visit, members will pay \$5.00 per family or \$2.00 per adult and \$1.00 per child (17 and under). This fee should be paid to kitchen staff, after registering the guest(s) on daily sign-in sheet.

Guests will be allowed to enter the club to buy lunch or dinner at the Club facilities, when they are accompanied by a member, free of charge. Members must be with guest during the meal. Free lunch entry may be restricted during the Christmas week if the dining facilities become too crowded. These visits DO NOT count as a day's admittance.

Members who do not sign in their guests will be reminded of this requirement once and then billed at double the daily rate in the future.

Guests can use the club a maximum of four days per year. Maximum visits do not apply to students or "significant others", although their guest fees are still to be paid.

Members should encourage their frequent guests to consider joining the club and provide sponsorship on the application form. This is an "HONOR SYSTEM". It will not work if members do not follow these rules.

Adopted 2005
